

DEPARTMENT OF HORTICULTURE, LAL-BAGH, BANGALORE.

Separate sealed tenders for the following will be received in the Office of the Director of Horticulture at Lal-Bagh, Bangalore, up to 3 p.m., of 23rd March 1931, for the supply of (1) Food grains, (2) Ropes, etc., (3) Pots and (4) Baskets to Lal-Bagh and other minor gardens in Bangalore, as detailed in enclosed lists. The contract will be for a period of one year and three months from 1st April 1931 to 30th June 1932.

Conditions.

(1) The tender which should be in the form given below wherein are given the approximate quantity and description of articles required should state clearly in column 2, the rate at which each article can be supplied throughout the period and must be accompanied by samples.

(2) Every tender should be accompanied by the Treasury Duplicate Challen for having remitted the earnest money of Rs. 100. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws from his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

(3) The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum of Rs. 100, as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of contract at the end of the period.

(4) The rates quoted should include the cost of free delivery at Lal-Bagh and other Gardens in Bangalore, as will be noted in the indents that would be sent to him.

(5) The contractor should present his bills once a month for supplies made by him during the month to this office for arranging payment of the amount due to him.

(6) No application from the contractor for any sort of concessions whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes will be considered.

(7) Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit forfeited to Government. The contractor will also be bound to make good any loss which may arise from his failure to supply the articles contracted for, or by Government having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

(8) The Director of Horticulture reserves himself the right of finally accepting or rejecting any tender without assigning any reason therefor.

(9) The supplies are to be made according to approved samples.

OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification No. Roc. 755—Sc. 143, dated 11th March 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer, Bangalore, up to 2 p.m. on 30th March 1931, for constructing quarters for the Farm Manager on the Basur Kaval (near Ajampur). An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1931.

The plan and detailed estimate may be seen at the Office of the Agricultural Engineer. A sum of Rs. 500 in cash towards earnest money should be remitted to the Officer in charge, State Hazur Treasury, Bangalore, with challans duly filled by the tenderers. The duplicate copy of the challan should accompany the tender. The tender should be superscribed "Tender for constructing quarters for the Farm Manager on the Basur Kaval."

Subject to the final sanction of the Director of Agriculture in Mysore, Bangalore, acceptance of any tender will rest with the Agricultural Engineer, who does not bind himself to accept the lowest tender or to assign any reason for the rejection of any tender.

Within eight days of the acceptance of the tender the successful competitor will be informed and he is required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

The rates should be noted for each item of work.

No claim for enhanced rate will be preferred after tender is accepted and during the course of execution of work.

In all matters of dispute regarding quantity of work, rates, etc., the decision of the Agricultural Engineer will be final.
